

Because It's Love

w/m D. Cooper Getschal/ Jim Weatherly

Dad, She Walked Out. I'm afraid she might be gone for good
Dad, What do I do now? I've done everything to keep her that I could
I need some answers before I lose my mind
You say be patient, Just give her some time

**Because It's Love, There's no need to worry
She's gonna see things clearly soon enough
You say son, don't be in a hurry
Let her go she'll come back Because It's Love**

Dad, She's my life. If I lost her I would come apart
Dad, can you tell me why it hurts so much to give someone your heart
You say these things are hard to understand
And it's best to hold her with an open hand

Chorus

But if she really wants to leave you say there's nothing I can do
I should just keep on loving her and let her work it through
Because it's Love, Because it's love, Because it's Love, Love, Love
Because it's love
Because it's Love, Because it's love, because it's Love, Love, Love
Because it's love

You say these things are hard to understand
And it's best to hold her with an open hand

**Because It's Love, There's no need to worry
She's gonna see things clearly soon enough
You say son, don't be in a hurry
Let her go she'll come back Because It's Love
Let her go she'll come back Because It's Love
Let her go she'll come back Because It's Love**
