Blessings My Way, Blessings My Way I know the lord keeps sending
Blessings my way

Last night He blessed me with a place to sleep
Early this morning He wakes up me
I sit down to the table I got food to eat
Lord, let me thank you for being good to me

When I'm down He pick me up
Help me drink from the bitter cup
You always there right by my side
You are my Shepherd and you are my guide

Blessings My Way, Blessings My Way I know the lord keeps sending
Blessings my way
Blessings My Way, Blessings My Way I know the lord keeps sending
Blessings my way

He bless me now He doin' right now, He bless me now He doin' right now
I got legs to walk. He doin' right now.
Got a tongue to talk. He doin' right now.
I got eyes to see. He doin' right now
I know He been good to me. He doin' right now

Blessings My Way, Blessings My Way I know the lord keeps sending
