

Falling So In Love With You

Getschal/ White-Wenner

Love blew in soft as the wind
Swept me off my feet (you know I can fly)
Gravity is pulling me Closer to your side

No resisting this attraction feels so right
Won't you catch me as I drift
Into your arms tonight cause I'm..

Fall - in', Fall - in, So In Love With You
Fall - in, My heart is callin'
Say you're fallin in love with me too

One step more is Heaven's door
Floating high above (high above)
On a cloud that's sailing me Right into your love

No resisting this attraction feels so right
Won't you catch me as I drift
Into your arms tonight cause I'm..

Fall - in', Fall - in, So In Love With You
Fall - in, My heart is callin'
Say you're fallin in love with me too

All of the little things that you do for me
Make it right, oo you can't do wrong girl
Everyday is so beautiful With you in my life
Hold out your arms tonight cause I'm

Fall - in', Fall - in, So In Love With You
Fall - in, My heart is callin'
Say you're fallin in love fallin in love
Fall - in', Fall - in, So In Love With You
Fall - in, My heart is callin'
Say you're fallin in love fallin in love
with me too.
