

Falling In Love

w/m D. Cooper Getschal & John "JR" Robinson

I see you everywhere I go Your eyes have captured me I know
Your smile is in my heart Warm and Waiting
I've got to tell you so you'll know

Shine your love only on me and you will see girl how it feels
Share your love only with me It's got to be girl, feels so real.

I see your face and I keep FALLING IN LOVE, FALLING IN LOVE
Right from the start I wanted all of your love, all of your love.
I see your face and I keep FALLING IN LOVE, FALLING IN LOVE
Right from the start I wanted all of your love, all of your love.

You're in my dreams most every night. You kiss me and I hold you tight.
I don't know where you're hiding Your smile is so inviting
It's such a captivating sight

Shine your love only on me And you will see girl how it feels
Share your love only with me It's got to be girl, feels so real.

I see your face and I keep FALLING IN LOVE, FALLING IN LOVE
Right from the start I wanted all of your love, all of your love.
I see your face and I keep FALLING IN LOVE, FALLING IN LOVE
Right from the start I wanted all of your love, all of your love.

Come let me know you. Come let me show you how to
Come through with me you'll see with your love.

Come let me know you. Come let me show you how to
Come through with me you'll see with your love.

I see your face and I keep FALLING IN LOVE, FALLING IN LOVE
Right from the start I wanted all of your love, all of your love.
I see your face and I keep FALLING IN LOVE, FALLING IN LOVE
Right from the start I wanted all of your love, all of your love.
