

Gonna Have My Resurrection

w/m D. Cooper Getschal

Nothing that I've earned Nothing that I gave
Nothing on this earth is Gonna kleep me in my grave
Gonna Have My Resurrection Yes I know I will
Gonna Have My Resurrection. Gonna be fulfilled.
Gonna Have My Resurrection 'cause you walked up that hill.

Something that I learned, something that I know
Someday I'll be ready when it's time for me to go
Gonna Have My Resurrection Yes I know I will
Gonna Have My Resurrection. Gonna be fulfilled.
Gonna Have My Resurrection 'cause you walked up that hill.

I ain't no doubting Thomas for the Good News I have heard
I know You'll keep your promise You're a man of Your word.
All the bad I've done and all the bad I've said
Has all been erased 'cause You paid the price instead

Gonna Have My Resurrection Yes I know I will
Gonna Have My Resurrection. Gonna be fulfilled.
Gonna Have My Resurrection 'cause you walked up that hill.

Gonna Have My Resurrection Yes I know I will
Gonna Have My Resurrection. Gonna be fulfilled.
Gonna Have My Resurrection 'cause you walked up that hill.
