

Half-Hearted Love

w/m D.C. Getschal/ Steve Deutsch/ Martin Kibbe

She works at loving though on the road she'd rather be mine
Her kind of lonely, come and go right out of her mind
Don't light your love light. No don't. Don't baby don't
Don't want your Half-Hearted Love.

Please let me go on living right
I gotta believe you're only overheated
Yeah you're burning too bright so don't. Don't baby don't
Don't start your Half-Hearted Love

She acts so high class I know her kind lies elegantly
Just call me white trash. Flash and cash mean nothing to me
Don't light your love light. No don't. Don't baby don't
Don't want your Half-Hearted Love.

Please let me go on lovin' right
I believe your seed is overrated
Stop burning so bright. No don't, don't baby don't
Don't start your Half-Hearted Love

Half-Hearted Love is such a bad situation walk in a half moon light
Half-Hearted Lovers making sad conversation
With half a mind to take a little time tonight

Woke up this morning had Carolina all in my mind
Just though I'd warn you time has come to leave you behind
Don't light your love light. No don't. Don't baby don't
Don't want your Half-Hearted Love.

Please let me go on living right
I gotta believe you're only overheated
Yeah you're burning too bright so don't. Don't baby don't
Don't start your Half-Hearted Love

Half-Hearted Love for your love babe. Half-Hearted Love (Half-Hearted)
Half-Hearted Love for your love babe. Half-Hearted Love (Half-Hearted)
