

He Gets To Love Her

w/m D.C. Getschal/ L.C. Randall

I was dreaming again and then she walked by
She's all I ever wanted but she's with another guy
The clothes that she wears are fancy.
I've never seen anything so fine
I can't take my eyes off of her
Why can't she be mine?

He Gets To Love Her. He gets to have her lips on his
He Gets To Love Her. He knows what heaven is
He Gets To Love Her. she's given him the right
He Gets To Love Her. softly in the night
He Gets To Love Her.

Will I ever have my dance with the queen of the ball
I'd settle only for a glance but she doesn't notice me at all
How come he's so lucky? What's he I don't see?
How come she's with a guy like him when she could be with me.

He Gets To Love Her. He gets to have her lips on his
He Gets To Love Her. He knows what heaven is
He Gets To Love Her. she's given him the right
He Gets To Love Her. softly in the night
He Gets To Love Her.

I know envy is the root of all this pain I feel
And I need to let it go for me to heal
Why should I care that....
