

## Hold On

(E. Puyol, D. Cooper Getschal)

(Chorus)

I'm gonna hold on / To what I got / 'Cause what I got is love / Love

(Verse 1)

I'm gonna / Hold on to what I got / 'Cause what I got I know's a lot / I'm gonna hold on /  
Regardless of what they try or plot / Against me to watch me fall / Or even stop / What I  
do / But I ain't quitting now dude / I'm on the move / And I'ma pursue my goals and my  
dreams / 'Cause the only one I'm after to please / Is my King / He's the reason I have  
life / And air to breathe / So I sing / From the depths of my being

(Chorus)

(Verse 2)

(Rawsrvnt)

I'm gonna / Hold on to what I got / 'Cause what I got I know's a lot / I'm gonna hold on /  
Regardless of what they try or plot / Against my soul / I'ma stay bold and real with it /  
'Cause I know who's divine / And I know who's so exquisite / Man Jesus paid a visit / To  
my soul and made it right / Showed me what's going on / And showed me how I could  
live life / So I'm devoted to serve and give Him all of me / And I ain't never gone quit /  
No need to bother me

(Chorus)

(Bridge)

(Rawsrvnt)

I ain't gonna stop / And I ain't gonna quit / I'm gonna hold on / 'Cause all I got is God /  
That's it

(Chorus)
