

Holy, God You Are Holy

w/m D. Cooper Getschal

Holy, God You Are Holy, Holy, God You Are Holy
Holy, God You Are Holy, Holy, God You Are Holy

From Your love is where we came now we sing praises to Your name
I know the joy your peace can bring fuller with every note I sing
I surrender everything to You with Your guiding light that surrounds me
I put You first in all I do I'm so very glad that You found me, singing...

Holy, God You Are Holy, Holy, God You Are Holy
Holy, God You Are Holy, Holy, God You Are Holy

I love You 'cause You loved me first. Your promise satisfies my thirst
I'm ready Lord, it's You that I serve 'cause You treat me better than I deserve.
You came to earth part God, part man to teach us all about Your Mercy
You put in play Your Master plan before we even knew we were thirsty

Holy, God You Are Holy, Holy, God You Are Holy
Holy, God You Are Holy, Holy, God You Are Holy

The world has lost it's hold on me. Your Kingdom is the only thing I see
Your faithfulness is what I know and my faith in You will always grow

Holy, God You Are Holy, Holy, God You Are Holy
Holy, God You Are Holy, Holy, God You Are Holy
