

I'm Not Asking You To Stay  
w/m D.C. Getschal ? T. Pfeiffer

I'm Not Asking You To Stay For more than now  
Some are happy all alone some need a crowd  
I'm Not Asking You To Stay but I hope you'll find your way  
Back to where we are today somehow  
I'm Not Asking You To Stay for more than now

All of my emotions have been written down in rhyme  
Happy, sad, indifferent, Pick a place in time  
I've had and done it all and many times I took the fall  
I've been there and I've done that some of which I'm not too proud  
All I really need is you and I'm saying it out loud.

CHORUS

Even if you're lost awhile, Keep on traveling till I'm found,  
When you finally make it back You know I'll be around.  
I've know the highs and lows and how the story goes  
Now lets linger until when  
That joyous day you find you're way Into my arms again

No one's guaranteed a tomorrow we only have today.  
You go where you need to go but be safe along the way.
