

IT ONLY LOOKS LIKE WE'RE IN LOVE

w/m D.C.Getschal & Jeff Barry

I was lost in the thought of what used to be
How people drift apart just like you and me
It must look like we're happy I've heard the people say
But things aren't always as they seem
it's a hard game to play

It only looks like we're in love but there's no feeling
IT ONLY LOOKS LIKE WE'RE IN LOVE but it's just a disguise
IT ONLY LOOKS LIKE WE'RE IN LOVE but baby it's only
Open your eyes IT ONLY LOOKS LIKE WE'RE IN LOVE

I know you can feel it it isn't hard to see
It isn't like it was or how it's supposed to be
we could go on pretending that everything is fine
we'd only fool ourselves
wasting precious time

It only looks like we're in love but there's no feeling
IT ONLY LOOKS LIKE WE'RE IN LOVE but it's just a disguise
IT ONLY LOOKS LIKE WE'RE IN LOVE but baby it's only
Open your eyes IT ONLY LOOKS LIKE WE'RE IN LOVE

It's going nowhere baby
No where we want to go

It only looks like we're in love but there's no feeling
IT ONLY LOOKS LIKE WE'RE IN LOVE but it's just a disguise
IT ONLY LOOKS LIKE WE'RE IN LOVE but baby it's only
Open your eyes IT ONLY LOOKS LIKE WE'RE IN LOVE
