

The Last One To Find Out Was Me

w/m D. Cooper Getschal

I couldn't forget her from the first day that I met her
Those eyes and that smile they enslaved me
I liked how it was and I say this because Of the kind of attention she gave me
Then something went wrong, said She couldn't go on living what she called a "lie"
It seemed so absurd till thru the grapevine I heard
It seems that there's some other guy
And When I asked her about it, I guess I might have shouted
She smiled and started walking away
She turned and looked me in my eye And then she told me goodbye
I should have seen the heartache Coming from the very first day

NOW THE LAST ONE TO FIND OUT WAS ME
I WROTE THE BOOK ON HOW IT'S NOT SUPPOSED TO BE
I SHOULD HAVE PUT HER FIRST NOW SHE'S WITH ANOTHER HE
AND THE LAST ONE TO FIND OUT WAS ME

I Wish I'd never seen her cause no pasture could be greener ,
This lady had my heart on the hook
Mine's a real sad tale of broken-hearted male
Like in some paperback romance book
She told me she loved me then she took advantage of me
Even said that she loved how I danced
Loving her felt right but it screwed up my life
Still I'm glad that I had the chance
You know that I can't believe as I sit here and grieve
She said I never really treated her fair
She was the best I ever had until our love went bad
I'm the first to admit I still care

NOW THE LAST ONE TO FIND OUT WAS ME
I WAS AS DUMB AS A LOVETRUCK FOOL CAN BE
I GUESS I SHOULD HAVE SEEN IT COMING BUT
I WAS BLINDED AND I COULDN'T SEE
AND THE LAST ONE TO FIND OUT WAS ME

Thought I found love then I got tossed , I'm not accustomed to being bossed
Things can always turn out for the worse
So before you fall in love check out their reputation first

She left me without warning early yesterday morning
Packed it in while I lay there sleeping
Left her ring and her brush and she didn't take much
Guess she thought there was nothing worth keeping
Now there's nobody else, so I lay by myself

And I remember the good times we shared
All that late holding and the stories we both told
And all the deep dark secrets that we bared
I Should have paid more attention to the things she didn't mention
Like the places she was spending all her time
I was surprised that I blew it cause before i knew it
That girl was no longer mine.

NOW THE LAST ONE TO FIND OUT WAS ME
THAT'S HOW IT GOES WHEN IT'S NOT SUPPOSED TO BE
BUT I have to admit IT WAS WORTH IT
if you ever had the chance you would see
It's no longer we, she's got another he
I'm as alone as one man can be
'CAUSE THE LAST ONE TO FIND OUT WAS ME
