

LIFE IS FULL OF SURPRISES (This Is What Life Is All About)  
w/m D. Cooper Getschal and Lyndie W. Wenner

I'm still not sure how this came to be  
Standing here - you and me  
I know it's real BUT seems like a dream  
CAUSE I can see and hear MY future loud and clear

(Chorus)  
Life is full of surprises  
We never really know how this journey will turn out  
It's the things that we believe in that happen in our lives  
This ... is what life's all about

I'm at the corner of Present and Past  
There's change in the air - this fear won't last  
Love is THE REASON I'm here right now  
This is my destiny - As it was meant to be

(Chorus)  
Life is full of Surprises  
We never really know how this journey will turn out  
It's WHAT we believe in that happens in our lives  
This.. is what life's all about

(Bridge)  
Life starts with a dream and THEN turns into a song  
You're the words and I'm the melody  
Together is where we belong....(Modulate)

Life is full of Surprises  
We never really know how this journey will turn out  
It's WHAT we believe in that happens in our lives  
This.. is what life's all about  
This.. is what life's all about
