

## Look On The Inside

w/m D. Cooper Getschal / Lyndie W. Wenner

You gotta open up the shell to find the pretty pearl  
If you're looking for real love in this world  
You gotta crawl deep in the mine to find the rarest diamond  
If you're looking for real love in this world

There ain't no easy shortcut to the promised land  
Takes a million Lessons til you learn  
Love will have no meaning til you understand  
It's something you shouldn't have to earn

Love is love is Love's within yourself  
Love is Love is Love's within yourself  
If you're looking for love on the outside  
Better take a look on the inside

You gotta open up your heart to find out what you're feeling  
If you're looking for real love in this world  
You gotta love yourself before you can love another  
If you're looking for real love in this world

Everybody wants to live in paradise  
All of our possessions equal pride  
We take it all for granted until we realize  
All the richest treasures are inside

Love is love is Love's within yourself  
Love is Love is Love's within yourself  
If you're looking for love on the outside  
Better take a look on the inside
