

Love Thing

w/m D. Cooper Getschal & Ray Vega

I'm talkin' 'bout the Love Thing baby
I just want to know about the Love Thing mama
From my head to my toes The Love Thing baby
I just want to know, we'll take it nice and slow...

I got this feeling burning me inside
And it's been keeping me up all night
I can't explain it but I think you're the cure
The only thing I know for sure...

I'm talkin' 'bout the Love Thing baby
I just want to know about the Love Thing mama
From my head to my toes The Love Thing baby
I just want to know, we'll take it nice and slow...

Love Thing, Baby.
Love Thing, Mama
Love Thing Baby

My head is pounding and my knees are weak
My head is spinning and I can't breathe
I can't explain it but I think you're the cure
The only thing I know for sure...

I want to know about the Love Thing baby
I just want to know about the Love Thing mama
From my head to my toes The Love Thing baby
I just want to know, we'll take it nice and slow...

Love Thing, Baby.
Love Thing, Mama
Love Thing Baby
