

Mighty Love

w/m D. Cooper Getschal & John Robinson

Ever after full of laughter That's how life should always be
I know somehow here and now That you'll always be with me

I may not know what lies ahead every twist and every turn
You speak to me in words unsaid simple lessons that I've learned

It's a Mighty Love that I have with you
A Mighty Love (yes it's true)
It's a Mighty Love I've been dreaming of
A Mighty Love and it always feels like new

No one knows how deep love goes When we sail on passion
Rushing in like blowing wind Keep your seat belt fastened

I've never known a love like this makes me feel so alive
When we look back and reminisce
It's this thing we have that's helped me to survive

Chorus 2x

Mighty Love, Mighty Love, Mighty Love, Mighty Love

It's a Mighty Love that I have with you
A Mighty Love (yes it's true)
It's a Mighty Love I've been dreaming of
A Mighty Love and it always feels like new
