

## **Most Of The Time**

Evelyne Love Cooper/ D. Cooper Getschal

Most Of The Time we get along well  
Most Of The Time life is a song  
Some of the time for just no reason  
There's just no pleasin' and things go wrong

Most Of The Time you make me happy  
Some of the time you make me blue  
But laughing dear or crying there is no denying  
That all of the time I love you.
