

Christmas Wish

D. Cooper Getschal/ Evelyne Love Cooper

I've got just one wish upon my Christmas list it's You
I want you here by my side to share this yuletide, It's you
I want to share some good cheer then ring in the new year
we can stay here until then it's true
I've got just one wish upon my Christmas list it's You

I want to feel everything that true love can bring with you
I'll unwrap you and then, once you say when I'll do
What I've missed since the day that you went away
Now it's time to come home and come through
I've got just one wish upon my Christmas list it's You

Try to get home quickly love I can't wait here
without you anymore
I keep looking at your photograph
and I've been wishing for the time when
I'm holding you and the waiting is over

I've been blue since the day, that you went away
Hurry up baby I miss you
I've got just one wish upon my Christmas list it's You

So baby hurry on home so I won't be alone without you
And if you stay where you are, no matter how far I'll be blue
But I'll make place where I'll dream of you face
Until all my wishes come true
I've got just one wish on this year's Christmas list it's You
I've got just one wish on this year's Christmas list it's You
