

That's what Your Love Looks Like To Me
w/m D. Cooper Getschal & Lyndie W. Wenner

We have no ceilings we have no walls
There are no doors to close to keep us out at all
There are no windows to limit our view
Nothing can hold me back from you.

Plenty of sunshine so our love will grow
Tempered with just enough of rain
We'll have rainbows forever on our horizon
As far as I can see, **That's what Your Love Looks Like To Me**

A strong foundation on solid ground
What we build with love will never tumble down
You are my shelter from the cold winds that blow
No way I'd ever let you go

Love is our castle built on the memories
Of all souls in love for so long
When the tears and the laughter all blend together
Creating a masterpiece, **That What Your Love Looks Like To Me**

No promise ever broken and no dream unfulfilled
Our hearts are right at home wherever love may lead
We'll have rainbows forever on our horizon
As far as I can see, **That's what Your Love Looks Like To Me**
