

Where Is Love ?

Getschal/Robinson

Will I know if it's love when I feel it?
Will I know if it's truth when I hear it?
Will I know when the time has come
To open my heart and make a stand or turn and run?

Where is love and was it ever here
Will I overcome my fear, on my own, all alone
Where is love and will I ever find
someone with a heart like mine
Who's not afraid to lead the way.

Will I know how it feels to make it
Will I know what love is or fake it
Will I know how to find my way
To open my eyes and find the road to a better day

Where is love and was it ever here
Will I overcome my fear, on my own, all alone
Where is love and will I ever find
someone with a heart like mine
Who's not afraid to lead the way.

Where is love why is there pain and ache
I can't make the same mistake another time, I'd lose my mind
Where is love, I need some hope and faith
Take me from this lonely place
So I can share what I know is already there.

Where is Love, Where is Love, Where is Love
Where is Love, Where is Love Will I ever find love?
