

Just South of Sober Again
Cooper Getschal/ Anthony James

(Rubato)

Just South of Sober Again
I'll be along but until then
I'll drink to forget all about her my friend
I'm headed just south of sober again

She's been first on my list since the first time we kissed
Still can't get her off of mind
There's a hole where she was
Man, It's killing my buzz
But I know how to fix all it takes is time

Chorus

This is not the first time I've been out of my mind
I'll keep on drinking and then
(Rubato)
When I feeling just right by dawn's early light
I can start all over again

Chorus

North of this barstool is where I will be
(Rubato)
You can tell her I'm here
if she comes looking for me asking for me
