

CAN'T GET YOUR LOVING OFF MY MIND

w/m D. Cooper Getschal & Jim Weatherly

I wake up every morning with you memory in my head
Wishing it was something that I could forget
But it all seems so useless I still think about you all the time
No Matter what I do girl, CAN'T GET YOUR LOVIN' OFF MY MIND.

I remember how it tasted when I'd kiss your lips
And how you'd drive me crazy with just your fingertips
Everytime you touched me sent chills up and down my spine
No matter what I try girl, CAN'T GET YOUR LOVIN' OFF MY MIND.

You're like an addiction that I just can't shake
I've got you in my system like a fever that won't break
If it hadn't been so good it wouldn't be so bad
But honey you're the best and I can't let go of that.
You're one of a kind CAN'T GET YOUR LOVIN' OFF MY MIND.

My teacher used to tell me one and one makes two
But one from one leaves nothing that's what I am without you
I've tried to find another but I can't leave the past behind.
No matter what I try girl, CAN'T GET YOUR LOVIN' OFF
No Matter what I do girl, CAN'T GET YOUR LOVIN' OFF
No matter what I try girl, CAN'T GET YOUR LOVIN' OFF MY MIND.
