

I'M WISHING YOU WERE HERE AGAIN

D. Cooper Getschal & Lyndie White Wenner

LYRICS ANALYSIS

Summary

The lyrics express the lingering feelings of longing and heartbreak after a breakup. The narrator tries to convince themselves that they are over the person, but their heart still yearns for them. They admit to missing the person and constantly searching for them. Despite trying to move on, they feel immense pain and can't forget about the person. The lyrics convey a sense of nostalgia for the past when they were best friends. The emotions portrayed include sadness, longing, and a desire for the person to be back in their life.
