

## **Tempo Key**

D. Cooper Getschal

By the water you can see all the boats with the fish  
That will wind up being someone's great dinner dish  
And the children like to play in the streets by the bay  
And the Markets just a stone's throw away

Tempo Key is a happy spot  
The nights are cool and the dancing's hot  
The breeze and the music and the atmosphere  
Might convince me to never leave here

Tempo Key that's where you find  
Paradise in the tropics all the time  
Makes no difference if it's sunshine or rain  
You'll never hear anyone complain

When the guest start arriving it becomes alive  
It smells like a party and the drinks are fine  
All the hustle and the bustle the market place so busy  
But it's the rum in the punch that will make you dizzy

Tempo Key is a happy spot  
The nights are cool and the dancing's hot  
The breeze and the music and the atmosphere  
Might convince me to never leave here

Tempo Key that's where you find  
Paradise in the tropics all the time  
Makes no difference if it's sunshine or rain  
You'll never hear anyone complain
