

YOU CAN'T FIX STUPID

D.Cooper Getschal

LYRICS ANALYSIS

Summary

The song lyrics convey a message about the obsession with physical appearance and the desire to fix every imperfection. It emphasizes that while you can alter your external features, you cannot change your intelligence or lack thereof. The lyrics highlight the futility of trying to change who you are fundamentally. It encourages self-acceptance and challenges societal beauty standards. The song uses humor to address the topic, reminding listeners that there is no cure for stupidity.
