

I'M WAITING  
D.COOPER GETSCHAL/ HARRIET SCHOCK

[CHORUS]

(Oh-oh) I'm waiting. Waiting for a sign  
(Oh-oh) Anticipating, I hope it comes in time  
(Oh-oh) I'm waiting, To do what I do well  
(Oh-oh) Stories are fading, That I have yet to tell

Even hopeless situations .Have an open door  
And the light shines through, It blinds me to the bad  
I'm running out of patience And the road that came before  
This endless stream is all that seems to last

[Verse 2]

[CHORUS]

(Oh-oh) I'm waiting. Waiting for a sign  
(Oh-oh) Anticipating, I hope it comes in time  
(Oh-oh) I'm waiting, To do what I do well  
(Oh-oh) Stories are fading, That I have yet to tell

I know you're out there somewhere. I nearly see your face  
I feel a breeze that really blows this warm embrace  
I wonder if you're hearing, When my heart begins to race  
I hold my breath for calm before the storm

[CHORUS]

(Oh-oh) I'm waiting. Waiting for a sign  
(Oh-oh) Anticipating, I hope it comes in time  
(Oh-oh) I'm waiting, To do what I do well  
(Oh-oh) Stories are fading, That I have yet to tell

[CHORUS]

(Oh-oh) I'm waiting. Waiting for a sign  
(Oh-oh) Anticipating, I hope it comes in time  
(Oh-oh) I'm waiting, To do what I do well  
(Oh-oh) Stories are fading, That I have yet to tell
