

Less Than a Friend

Lyric by Harriet Schock Music by D. Cooper Getschal

You are less than a friend Oh less than a friend of mine
When you go look for me down the line All the fears will be mine
Oh no can't look the other way Don't ask me to stay

Like a shot in the back Like a hole in the head
I was reachin' for poison But I got you instead
I was stopped in my tracks By the best I've seen yet
But I didn't know disaster Was all I would get.

When a snake comes around I remember the golden rule
What goes 'round comes back to find the fool
No matter what you do Go on now
I'm much lighter alone Got places to go

Like a shot in the back Like a hole in the head
I was reachin' for poison But I got you instead
I was stopped in my tracks By the best I've seen yet
But I didn't know disaster Was all I would get.

Less than a friend, Less than a friend of mine
